

Mesopotamia: Time to Irrigate!

Name _____

Go to the class blog and click on the link that will take you to this website.

http://www.mesopotamia.co.uk/geography/challenge/cha_set.html

Hint for playing the game: to restart the calendar press “set crops” a bunch of times.

1. What are two methods of irrigation being used that we learned about in class? Identify the methods and describe how are they used to move water?

Method #1:

Method #2:

2. Describe how the water levels in the canal effects farming practices.
3. Describe how domesticated animals are used to support farming.
